

West End School—Grades 6-8
APPLICATION for ADMISSION
Teacher Recommendation #1 - (Page 1 of 2)

The student below is applying to West End School. West End School (WES) is a college preparatory school serving boys in Pre-Kindergarten through eighth grade who live in low-income communities. We offer an academically rigorous program in a safe, structured environment filled with joy and high expectations. Our class sizes are small—fifteen students or less—which allows for more in-depth learning and a strong sense of family that permeates all we do.

Additionally, in grades six through eight, the academic experience for WES students is enriched by our boarding school program. Modeled after elite boarding schools throughout the country, our middle school boys have the privilege to live on campus surrounded by a family of brothers who are like-minded in their positive goals and life dreams.
